Attached is the State Highway Maintenance Program (HM) project list for FY 2017/18. Please program these projects in your **2017 FTIP** through next amendment/administrative modification.

These projects may be programmed through a grouped project listings in the FTIP. The appropriate grouped project listing for HM project is “Grouped Projects for Pavement resurfacing and/or rehabilitation on the State Highway System – Highway Maintenance”.

These projects are funded with 100% federal funds with the toll credits. The Total Project Cost (Column H of the attached file) includes construction capital and all associated support costs. Appropriate fund type (shown below) is listed for each project under “Column P” of the attached file.

This information will be posted on Caltrans Federal Programming website under “various state and Federal programs” section soon.
